

## Photobook - medium A4

Internal page: left hand side (even page number)

full print area: 297x214

cut to: 289x208

**dark cyan:** the image MUST fill this area

**light cyan:** this is the size the page is cut to. Some movement and skew may occur so do not butt anything up to the edge.

**black box:** this is the 'safe area' where we suggest you put insets, text and so forth.

**contrado** 

## **Photobook - medium A4**

Internal page: right hand side (odd page number)

full print area: 297x214

cut to: 289x208

**dark cyan:** the image **MUST** fill this area

**light cyan:** this is the size the page is cut to. Some movement and skew may occur so do not butt anything up to the edge.

**black box:** this is the 'safe area' where we suggest you put insets, text and so forth.
