

Photobook - small A5

Internal page: left hand side (even page number)

full print area: 200x151

cut to: 2197x145

dark cyan: the image MUST fill this area

light cyan: this is the size the page is cut to. Some movement and skew may occur so do not butt anything up to the edge.

black box: this is the 'safe area' where we suggest you put insets, text and so forth.
