HOLD ALL YOUR LOVE IN A BAG

London, June 20, 2004– Bags of Love, has just launched the ultimate personalised hold all. This retro canvas bag, is available in canvas and leather and holds and an image on both sides. Whether its your first car, your footie team at college or the sky dive you did last year - relive the moment than with a Bag of Love, tailor made from your photograph. If you need . Now available in Italian leather as well as high quality Italian patent trim - this made to order designer bag will be delivered to your door within 21-28 days, giving you an exclusive handbag at an affordable price.

www.bagsoflove.co.uk is a mail order company, where you can submit an image online or by post. A free 'touch up' service is available, therefore old or slightly damaged photos can be digitally enhanced. All bags are handmade in the UK, with nubuck leather handles, press stud closure and a thick cotton lining. Colours include Soft Pink, Pale Blue, Black and Beige. The range of bags includes a large and small handbag, wash bag, clutch make-up bag and pouch purse. The standard service offers the same print to be produced on both sides, however for an additional fee; a different print can be used for each side. Pricing starts at £27.95
