

Product: XXL T-Shirt Front
Size: 112.7cm x 88.1cm

 Bleed area. Make sure your artwork fills this area completely to avoid white unprinted areas on your finished T.

 Print area. We advise keeping important details at least 2cm from the edge.

 Safe line. We advise keeping important details inside of this line to ensure they are not cut off.

This layer should be deleted before uploading your artwork.
Save as a high quality .jpeg or .tiff
Resolution at least 100dpi
